(See Key at Bottom of Page)

Available in a 15ml
bottle with dripolator
or encapsulated in a
vegetarian softgel
(varies by market)

INGREDIENTS: *Frankincense Resin, Wild Orange Peel, Litsea Fruit, Thyme Leaf, Clove Bud, Summer Savory Plant, Niaouli Leaf, and Lemongrass Leaf essential oils.*

AROMATIC DESCRIPTION: *Herbaceous, citrus, sweet*

doTERRA's DDR Prime Cellular Complex contains ingredients traditionally used in Western herbal medicine to maintain and support general health and wellbeing. DDR Prime is a 'super support' for neurodiverse individuals due to its ability to offer support in all four key support categories.

To gain the utmost benefit, use DDR Prime on a daily basis, and look for overall improvements in these key support areas after at least one month of consistent use. For easy use, make up a roller bottle or spritzer bottle and apply daily to bottoms of feet or down the spine.
